Overview

Avaya 5400 series digital telephones deliver advanced productivity-boosting features, including a large display, key labeling and a 100-entry call log. They are designed to be a cost effective choice for any business or contact center using IP Office.

Capabilities

The Avaya 5400 series digital telephones come standard with the following capabilities:

- The 5400 series digital telephones simplify access to important features with:
 - Up to 10 fixed feature keys with global-ready icons: Hold, Conference, Transfer, Drop, Redial, Mute, Volume up/down, Speaker, Message and Feature (to access additional dial pad features)
 - Up to 24 programmable call appearance/feature keys that are electronically labeled (except 5402)
 - 4 menu/display navigation keys (5410 and 5420 only)
- Call log (48 entries on 5410; 100 entries on 5420)
- Local speed dials (48 with 5410, 104 with 5420)
- 2-way speakerphone (listen-only on 5402)
- Message waiting indicator
- Built-in headset jack (5410 and 5420 only)
- 8 personalized ring patterns
- Hearing aid compatibility
- Investment protection with downloadable firmware (except 5402)
- Wall mountable with included desk/wall mount stand
- Local language customization for phone menu (except 5402)

Benefits

The 5400 series telephones bring Avaya state-of-the-art technology directly to your desktop, delivering efficient service, superior voice quality, along with cutting-edge communications features. Label-less call appearance/feature keys simplify administration. Local call log and speed dial directory enhance productivity.

AVAYA

5400 Series Digital Telephones

Avaya Advantage

Electronic key labels eliminate paper labels, simplifying phone administration and management.
